### **Rider Safety Responsibilities**

The following state law requirements will help to assure your safety. Please obey all posted safety rules and oral instructions from rider operators.

- Avoid any action that may injure others
- Stay within the limits of your ability
- Use safety devices at all times
- Do not interfere with safety devices
- Do not disconnect or disable safety devices
- Do not touch the operators controls
- Do not extend your arms or legs beyond the carrier or seating areas
- Do not throw or drop any object from or towards a ride
- Get off ride properly at the designated time and place
- Control the speed or direction of the ride or your body as instructed
- Do not interfere with the safe operation of any ride
- Do not swing or bounce on rides unless instructed

You may not get on a ride unless:

- You know how to get on , use and get off the ride
- You have read, understood and met each ride's posted safety requirements
- You know the limits of your ability and that the ride will not exceed your limits
- You are not under the influence of alcohol or drugs
- You are authorized by the operator to get on the ride

State law requires riders to obey all warnings and directions for carnival and amusement rides, and behave in a manner that will not cause or contribute to the injury of themselves or others. Riders must report injuries to simulator operator prior to leaving the premises.
