Case No. U-12320

**ATTORNEY GENERAL'S COMMENTS**

The Attorney General has reviewed SBC Ameritech Michigan's submission of three consecutive months of actual performance results for the period June, July and August 2002.

The Attorney General notes that the "independent performance audit reports issued by Ernst & Young LLP" relate to performance data for the period March, April and May 2002. In addition, the Attorney General notes that Ernst & Young's audit resulted in a qualified opinion. Based on the currently available information, the Attorney General reserves her judgment with respect to SBC Ameritech's performance measurements and Ernst & Young's audit report until the next comment cycle.

Respectfully submitted,

JENNIFER M. GRANHOLM  
Attorney General
