Sorry folks, the dates are for 6/18 through 6/22, not the May dates, thanks Barbara for catching that for us!

Hi Folks,

Please share with your respective CLECs/Vendors/SBPs that all testing in AIT will be blocked for the week of 5/18 (5/18 through 5/22) due to the temporary backend test systems being upgraded with a permanent system. Testing will resume on the following Monday, 6/25. I'm providing a list of those CLECs that may be impacted around this week, and the OSS manager assigned to support them. Please share this notification with the appropriate folks and any CLECs/Vendors/SBPs that I may have missed, thanks!
