AT&T Cross Ex. 15

**ACI AND CELLULAR WILL ENTER INTO AN AGENT /  
PARTNER RELATIONSHIP TO PROVIDE LONG  
DISTANCE AND RESALE LOCAL SERVICE.**

---

Long Distance

- Cellular will utilize WorldCom's turn-key resale platform to order/provision/capture usage for long distance
- Rates with WorldCom will be negotiated by ACI under their existing contract
- ACI realizes "wholesale" like revenues
- Cellular charges retail to the customer
- Longer term cellular will migrate to ACI operating systems

Local Resale

- ACI is currently certified to provide local service in Missouri
- ACI will outsource all billing, sales, servicing and marketing to cellular
- For external regulatory accounting, ACI will show revenues less agent expenses
- Internally, cellular receives all the local revenues
