AGREEMENT

2. The Parties agree to, and the Telephone Company hereby establishes, a reciprocal compensation arrangement for the transport and termination of local telecommunications traffic between the Telephone Company and TelNet. The Telephone Company is not precluded from changing the rates in accordance with changes in its TSLRIC or in accordance with orders issued by the MPSC.

7. This Agreement shall be governed by and construed in accordance with the laws of the state of Michigan without reference to choice of law rules or principles. In the event that a court or agency with jurisdiction over the Telephone Company in the future issues an order that symmetrical rates apply to the traffic exchanged between the Telephone Company and TelNet, this agreement will automatically be cancelled on the effective date of the order.

8. This Agreement is agreed to and effective when signed by each of the parties on the dates indicated and may be executed in any number of counterparts.
