Case No. U-12528

**AMERITECH MICHIGAN'S REVISED MATRIX OF AFFECTED EXCHANGES  
AND PROPOSED CONVERSION DATES**

Pursuant to the Commission's May 15, 2001 Opinion and Order ("May 15 Order") in this proceeding, Ameritech Michigan<sup>1</sup> submits herewith a revised matrix identifying the Ameritech Michigan exchanges affected by the Commission's February 5, 2001 Opinion and Order ("February 5 Order") providing for the expansion of local calling to adjacent exchanges.<sup>2</sup>

For the convenience of the parties, the revisions are shown in bold type on the matrix and consist of the following:

---

<sup>1</sup> Michigan Bell Telephone Company d/b/a Ameritech Michigan, a Michigan corporation, is a wholly owned subsidiary of Ameritech Corporation, which owns the former Bell operating companies in the states of Michigan, Illinois, Wisconsin, Indiana, and Ohio. Ameritech Corporation is a wholly owned subsidiary of SBC Communications, Inc. Michigan Bell offers telecommunications services and operates under the names "Ameritech" and "Ameritech Michigan" (used interchangeably herein) pursuant to assumed name filings with the state of Michigan.

<sup>2</sup> The matrix currently contains exchanges affected by the expansion of local calling to intraLATA adjacent exchanges. Pursuant to the Commission's February 5, 2001 Opinion and Order in this proceeding, Ameritech Michigan has filed petitions with the Federal Communications Commission seeking a limited modification of LATA boundaries to provide "extended local calling service" from Ameritech Michigan exchanges to adjacent interLATA exchanges. Ameritech Michigan has no information as to whether or when the FCC may rule on its petitions.

1. Page 7: The ILEC serving the Garden exchange is revised from Verizon to Century.
2. Page 11: The ILEC serving the Pickford, Cedarville and Rudyard exchanges is revised from Verizon to Century.
3. Page 11: Local calling is added from Ameritech Michigan's Curtis exchange to Verizon's Gulliver exchange.
4. Page 14: The ILEC serving the Pinconning exchange is revised from Verizon to Century.
5. Page 14: Local calling is added from Ameritech Michigan's Standish exchange to Ameritech Michigan's Gladwin exchange.

Respectfully submitted,
