

# CNF Workgroup Update

June 22, 2006

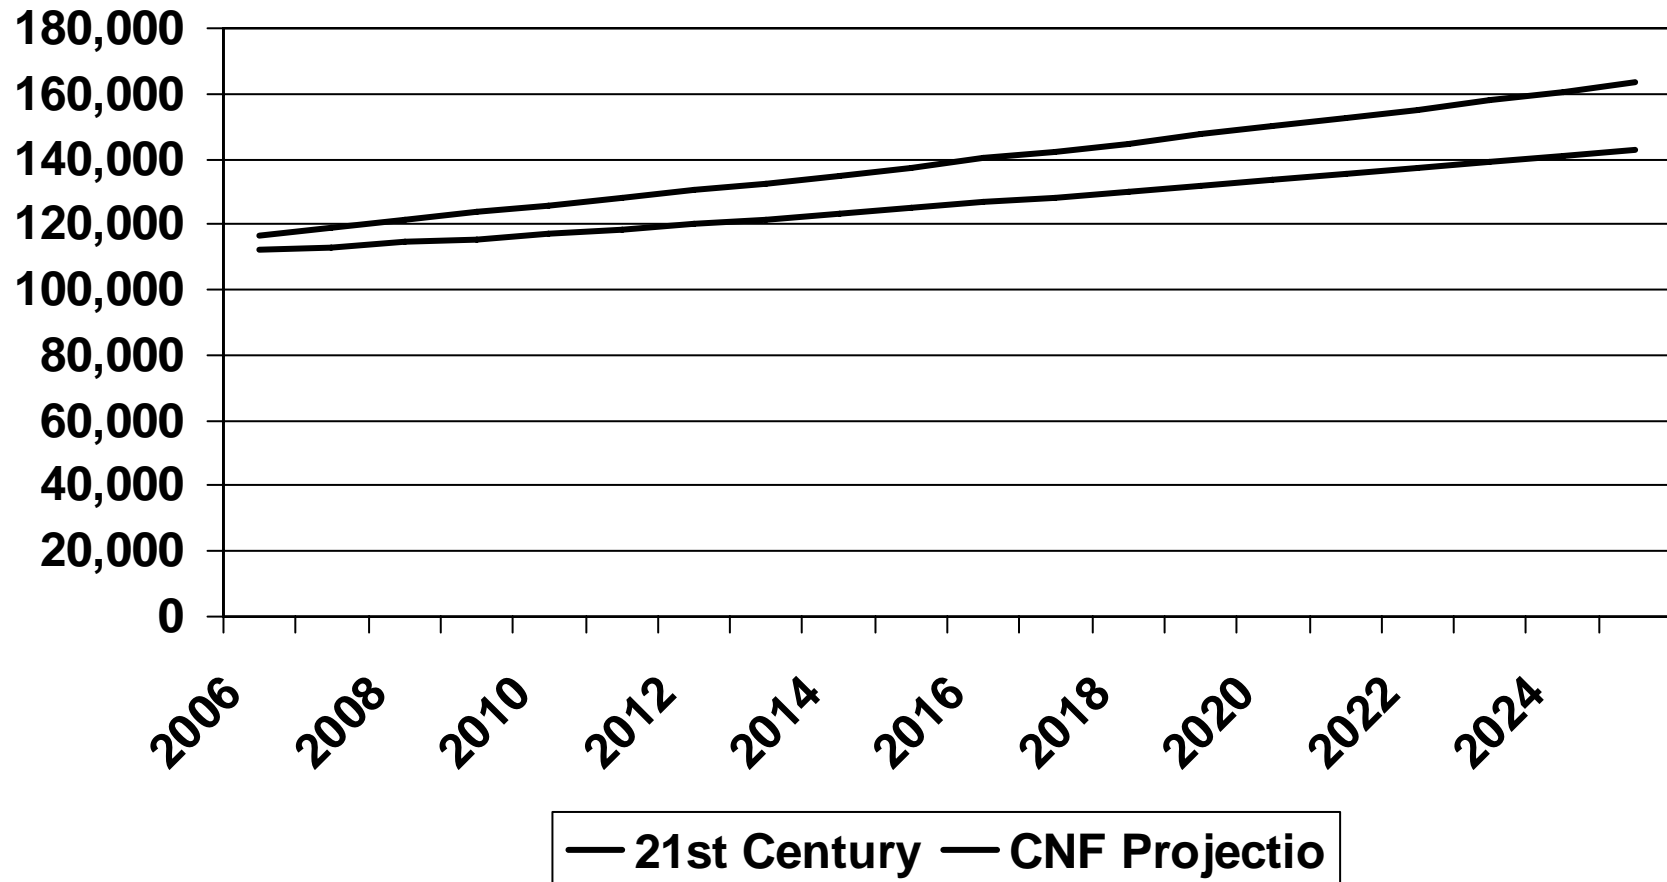

State of Michigan Library

# Comparative Demand Forecasts Michigan Total, CNF and 21<sup>st</sup> Century Energy Plan

# Comparative Energy Forecasts Michigan Total, CNF and 21<sup>st</sup> Century Energy Plan

Gwh

# Goals

- Review CNF Inputs and Results
- Review Demand Forecast
- Review Transmission Options
- Further Define Baseload Options
- Develop Policy to Acquire New Capacity

# Schedule

- Baseline Data review –June 7
- Demand Review – June 7
- Transmission Options – August
- Further Define Baseload Options – August
- Additional Expansion Runs - August

# Schedule

- Policy Recommendation
- Phase 1 Basic Assumption – June
- Phase 2 Choose Path - July
- Phase 3 Finalize Proposal - Aug

# Sub Work Groups Reports

- Demand Review
- Further Baseload Option Review
- Transmission Options Review

# Policy Recommendation

- Four separate straw man proposals were developed by groups of volunteers within the workgroup
- These proposals were presented to the workgroup at the June 9<sup>th</sup> meeting

# Policy Recommendation

- The four proposals are available on the web site
- Comments can/should be provided to the workgroup chair Paul Proudfoot, [paproud@michigan.gov](mailto:paproud@michigan.gov) with copy to Pat Poli, [pmpoli@michigan.gov](mailto:pmpoli@michigan.gov)

# Common Ground

- The four proposals contain a number of similarities
  - Upfront Planning Process
  - Certificate of Need
  - Competitive Acquisition Process
