This Rule is intended to promote fair competition and a level playing field among all participants involved in transportation within the Company's regulated gas service territory. The Company will conduct its business to conform to the following Transportation Standards of Conduct.

- (A) *The Company will apply any tariff provision relating to transportation service in the same manner without discrimination to all similarly situated Customers.*
- (B) *The Company will not give its marketing affiliate or Customers of its affiliate preference over any other non-affiliated gas marketers or their Customers in matters relating to transportation service including, but not limited to, nominating, balancing, metering, billing, storage, standby service, curtailment policy, or price discounts.*
- (C) *The Company will not communicate to any Customer, Supplier, or third parties that any advantage may accrue to such Customer, Supplier, or other third party in the use of the Company's services as a result of that Customer, Supplier, or other third party dealing with its marketing affiliate, and shall refrain from giving any appearance that it speaks on behalf of its affiliates.*
- (D) *The Company will process all similar requests for transportation service in the same manner and within the same period of time.*
- (E) *The Company will not provide leads or provide market sensitive information regarding a current or potential Customer or marketer to its marketing affiliate. To the extent the Company provides to its marketing affiliate a discount or information related to the transportation sales, or marketing of natural gas, including but not limited to the Company's Customer lists, that is not readily available or generally known to any other marketer or Supplier, or has not been authorized by a Customer, it will provide details of such discount or provide the information contemporaneously to all potential marketers on its system that have requested such information. A marketer may make a standing request for contemporaneous disclosure of such information.*
- (G) *The Company will not condition or tie its agreement to release interstate pipeline capacity to any agreement by a gas marketer, Customer, Supplier or pipeline transporter relating to any service in which its marketing affiliate is involved.*
