Case No. U-12382

At the October 24, 2000 meeting of the Michigan Public Service Commission in Lansing,
Michigan.

PRESENT: Hon. John G. Strand, Chairman
Hon. David A. Svanda, Commissioner
Hon. Robert B. Nelson, Commissioner

ORDER

On August 17, 2000, the Commission issued an order approving the decision of the arbitration panel concerning an interconnection agreement between Coast to Coast Telecommunications, Inc., (Coast) and Ameritech Michigan. The Commission ordered the parties to submit an executed interconnection agreement consistent with the decision of the arbitration panel within 10 days. The parties joined in several requests for additional time. On September 27, 2000, Ameritech Michigan and Coast filed the executed interconnection agreement. On October 12, 2000, the parties filed a revision to correct deficiencies in the agreement filed on September 27, 2000.

Section 252 of the federal Telecommunications Act of 1996, 47 USC 252, requires that any interconnection agreement that is adopted by negotiation or arbitration be submitted to the Commission for approval. 47 USC 252(e) provides in part:

- (2) The State commission may only reject
 - (A) an agreement (or any portion thereof) adopted by negotiation under subsection (a) of this section if it finds that--
 - (i) the agreement (or portion thereof) discriminates against a telecommunications carrier not a party to the agreement; or
 - (ii) the implementation of such agreement or portion is not consistent with the public interest, convenience, and necessity; or
 - (B) an agreement (or any portion thereof) adopted by arbitration under subsection (b) of this section if it finds that the agreement does not meet the requirements of section 251 of this title, including the regulations prescribed by the [Federal Communications] Commission pursuant to section 251 of this title, or the standards set forth in subsection (d) of this section.

- (3) Notwithstanding paragraph (2), but subject to section 253 of this title, nothing in this section shall prohibit a State commission from establishing or enforcing other requirements of State law in its review of an agreement, including requiring compliance with intrastate telecommunications service quality standards or requirements.

47 USC 252(e)(2) and (3).

The Commission concludes, after reviewing the application and agreement, that it should approve the interconnection agreement. The Commission finds that the agreement is consistent with federal and state law and is in the public interest. Under 47 USC 252(i) and MCL 484.2359(2); MSA 22.1469(359)(2), the services provided under the agreement must be made available to other telecommunications carriers upon the same terms and conditions.

The Commission FINDS that:

a. Jurisdiction is pursuant to 1991 PA 179, as amended, MCL 484.2101 et seq.;

MSA 22.1469(101) et seq.; the Communications Act of 1934, as amended by the Telecommunications Act of 1996, 47 USC 151 et seq.; 1969 PA 306, as amended, MCL 24.201 et seq.; MSA 3.560(101) et seq.; and the Commission's Rules of Practice and Procedure, as amended, 1992 AACS, R 460.17101 et seq.

b. The interconnection agreement should be approved.

THEREFORE, IT IS ORDERED that:

A. The interconnection agreement between Coast to Coast Telecommunications, Inc., and Ameritech Michigan is approved.

B. Approval of the agreement does not alter the duty of Coast to Coast Telecommunications, Inc., and Ameritech Michigan to comply with relevant federal and state law and past and future Commission orders and rules.

The Commission reserves jurisdiction and may issue further orders as necessary.

MICHIGAN PUBLIC SERVICE COMMISSION

/s/ John G. Strand
Chairman
