

“Adopt and issue minute dated December 6, 2002 designating Thumb Cellular, LP, as an eligible telecommunications carrier for the purpose of receiving federal universal service funds to be expended in the year 2003 consistent with the Federal Communications Commission order in CC Docket No. 96-45, as set forth in 47 CFR 54.313 and 54.314. RSA10 is designated as a service area for this purpose. The certification granted in this minute is conditioned upon the Commission’s reservation of its right to audit all expenditures of these universal service funds.”
