At the May 28, 2003 meeting of the Michigan Public Service Commission in Lansing, Michigan.

PRESENT: Hon. Laura Chappelle, Chairman  
Hon. David A. Svanda, Commissioner  
Hon. Robert B. Nelson, Commissioner

**OPINION AND ORDER**

On April 3, 2003, T2 Communications, L.L.C., (T2) filed an application, pursuant to the Michigan Telecommunications Act (MTA), MCL 484.2101 et seq., for a license to provide basic local exchange service in the areas currently served by SBC Ameritech Michigan. It also requested a temporary license.

MCL 484.2301(2) states: "Pending the determination of an application for a license, the commission without notice and hearing may issue a temporary license for a period not to exceed 1 year." T2 states that it seeks a temporary license to allow it to begin the prompt negotiation of interconnection agreements necessary to provide service.

After a review of the application and testimony, the Commission finds that approval of the application is in the public interest.

The Commission FINDS that:

a. Jurisdiction is pursuant to 1991 PA 179, as amended, MCL 484.2101 et seq.; 1969 PA 306, as amended, MCL 24.201 et seq.; and the Commission's Rules of Practice and Procedure, as amended, 1992 AACS, R 460.17101 et seq.

b. T2 should be granted a temporary license.

THEREFORE, IT IS ORDERED that:

A. T2 Communications, L.L.C., is granted a temporary license to provide basic local exchange service in the exchanges currently served by SBC Ameritech Michigan. The temporary license shall expire upon issuance of the final order granting or denying its application for a permanent license.

B. T2 Communications, L.L.C., shall provide basic local exchange service under the temporary license in accordance with the regulatory requirements specified in the Michigan Telecommunications Act, MCL 484.2101 et seq., including the number portability provisions of Section 358, the anti-slamming procedures adopted in Case No. U-11900, and the number reclamation process adopted in Case No. U-12703.

C. Before commencing basic local exchange service under the temporary license, T2 Communications, L.L.C., shall submit its tariff reflecting the services that it will offer and identifying the exchanges in which it will offer service.

The Commission reserves jurisdiction and may issue further orders as necessary.

Any party desiring to appeal this order must do so in the appropriate court within 30 days after issuance and notice of this order, pursuant to MCL 462.26.
