Federal Universal Service Fund  
Certification of ETCs

Case No. U-14612

**ERRATUM**

On September 20, 2005, the Commission issued a minute action designating eligible telecommunications carriers for the purpose of receiving federal universal service funds to be expended in the year 2006, consistent with the Federal Communications Commission order in CC Docket No. 96-45, and the New Rate Comparability Review Criteria, as set forth in 47 CFR 54.313 and 54.314. The minute action indicates an incorrect name of an eligible telecommunications carrier. TDS: Communications Solutions, Inc. is corrected to read Communications Corporation of Michigan, d/b/a TDS Telecom/Communications Corp. of MI (CCM). The service area code of 310672 remains unchanged.
