ORDER

The following parties have filed a joint application for approval of an amendment to an
interconnection agreement:

Case No. U-14301 AT&T Michigan and Quick Communications, Inc.
Application filed on December 11, 2008 for approval of a seventh
amendment to an interconnection agreement (establishes and/or
clarifies the rates for DS1 loops, DS1 Transport and DS1 EELs).

47 USC 252(e)(2) and (3) provides in part:

- (2) The State commission may only reject
 - (A) an agreement (or any portion thereof) adopted by negotiation under subsection (a) of this section if it finds that--
 - (i) the agreement (or portion thereof) discriminates against a telecommunications carrier not a party to the agreement; or
 - (ii) the implementation of such agreement or portion is not consistent with the public interest, convenience, and necessity;
 - ...

- (3) Notwithstanding paragraph (2), but subject to section 253 of this title, nothing in this section shall prohibit a State commission from establishing or enforcing other requirements of State law in its review of an agreement, including requiring compliance with intrastate telecommunications service quality standards or requirements.

After reviewing the application and amendment the Commission finds that it should approve the application. The Commission finds that the amendment is consistent with federal and state law and is in the public interest. Under 47 USC 252(i) and MCL 484.2359(2), the services provided under the agreement shall be made available to other telecommunications carriers upon the same terms and conditions.

THEREFORE, IT IS ORDERED that:

- A. The interconnection agreement amendment listed above is approved.
- B. Approval of the interconnection agreement amendment does not alter the duty of the parties to comply with relevant federal and state law and past and future Commission orders and rules.

The Commission reserves jurisdiction and may issue further orders as necessary.

Any party aggrieved by this order may file an action in the appropriate federal District Court pursuant to 47 USC 252(e)(6).
