ORDER

On November 12, 2008, Communications Corporation of Michigan, d/b/a TDS Telecom (TDS), and Comcast Phone of Michigan, LLC, d/b/a Comcast Digital Phone (Comcast Phone), each filed a petition for arbitration of terms and conditions of interconnection under Sections 251 and 252 of the federal Communications Act of 1996, 47 USC 151 *et seq.* (the federal Act), the Michigan Telecommunications Act, MCL 484.2101 *et seq.*, and the Commission’s arbitration procedure orders in Case Nos. U-11134 and U-13774. These petitions were docketed separately in

Case Nos. U-15725 and U-15730, respectively, but have proceeded through the arbitration process together.

On March 5, 2009, the Commission issued an order adopting the decision of the arbitration panel. On April 3, 2009, the parties jointly filed a conforming interconnection agreement. On April 9, 2009, they filed a corrected version. The agreement is subject to approval by the Commission, which may reject the agreement if it finds that the agreement does not meet the requirements of Section 251, or Section 252(d). 47 USC 252(e).

The Commission finds that the corrected jointly filed interconnection agreement conforms to the requirements of Sections 251 and 252 of the federal Act, and the March 5, 2009 order. The interconnection agreement is approved.

THEREFORE, IT IS ORDERED that the arbitrated interconnection agreement is approved.

The Commission reserves jurisdiction and may issue further orders as necessary.

Any party aggrieved by this order may file an action in the appropriate federal District Court under 47 USC 252(e)(6).
