Case No. U-15773

At the July 16, 2009 meeting of the Michigan Public Service Commission in Lansing,
Michigan.

PRESENT: Hon. Orjiakor N. Isiogu, Chairman
Hon. Monica Martinez, Commissioner
Hon. Steven A. Transeth, Commissioner

ORDER

On June 2, 2009, the Commission issued an order in this case adopting the decision of the arbitration panel and ordering the parties to file conforming interconnection agreements within 30 days of the date of this order. On July 1, 2009, the parties filed a motion to extend the time for filing provided in the June 2, 2009 order. The parties state in the motion that although they have diligently worked towards the required filing, it would not be ready on time. However, they concluded that the interconnection agreements should be ready for filing no later than July 9, 2009.

On July 8, 2009, the parties filed in this docket interconnection agreements for approval pursuant to 47 USC 252(e). However, on July 15, 2009, the parties notified the Commission that the interconnection agreements filed July 8 needed revision and revised copies would be filed shortly. The letter filed suggests that there is no need to await that filing before Commission approval of the agreements. The Commission grants the motion to extend time to no later than July 31, 2009. However, the Commission will not knowingly approve contracts that have not yet been filed in their final form. Filing must precede approval.

Further, the Commission finds that for ease in administering these agreements, each should be filed in a separate docket. To that end, the Commission has established the following dockets:

- U-16021 - Verizon North Inc. and Contel of the South, Inc., d/b/a Verizon North Systems, and TC3 Telecom, Inc.
- U-16022 - Verizon North Inc. and Contel of the South, Inc., d/b/a Verizon North Systems, and ACD Telecom, Inc.
- U-16023 - Verizon North Inc. and Contel of the South, Inc., d/b/a Verizon North Systems, and Arialink Telecom, LLC
- U-16024 - Verizon North Inc. and Contel of the South, Inc., d/b/a Verizon North Systems, and Clear Rate Communications, Inc.
- U-16025 - Verizon North Inc. and Contel of the South, Inc., d/b/a Verizon North Systems, and DayStarr LLC
- U-16026 - Verizon North Inc. and Contel of the South, Inc., d/b/a Verizon North Systems, and Michigan Access, Inc.
- U-16027 - Verizon North Inc. and Contel of the South, Inc., d/b/a Verizon North Systems, and TelNet Worldwide, Inc.

Therefore, when the revised interconnection agreements are filed, each should be filed in the designated docket.

THEREFORE, IT IS ORDERED that:

- A. The time for filing conforming interconnection agreements is extended to July 31, 2009.
- B. Each interconnection agreement shall be filed in the docket designated in this order.

The Commission reserves jurisdiction and may issue further orders as necessary.

Any party aggrieved by this order may file an action in the appropriate federal District Court pursuant to 47 USC 252(e)(6).
