ORDER

On June 11, 2009, Dynalink Communications, Inc., (Dynalink) filed an application, under the Michigan Telecommunications Act (MTA), MCL 484.2101 *et seq.*, for a license to provide basic local exchange service throughout the state of Michigan in the zone and exchange areas in which Verizon North Inc., Contel of the South, Inc., d/b/a Verizon North Systems, and AT&T Michigan are the incumbent local exchange carriers. It also requested a temporary license. On July 27, 2009, Dynalink amended the application.

MCL 484.2301(2) states: "Pending a determination of an application for a license, the commission without notice and hearing may issue a temporary license for a period not to exceed 1 year." Dynalink states that it seeks a temporary license to allow it to begin the prompt negotiation of interconnection agreements.

After a review of the application and testimony, the Commission finds that approval of the application is in the public interest.

THEREFORE, IT IS ORDERED that:

A. Dynalink Communications, Inc., is granted a temporary license to provide basic local exchange service throughout the state of Michigan in the zone and exchange areas in which Verizon North Inc., Contel of the South, Inc., d/b/a Verizon North Systems and AT&T Michigan are the incumbent local exchange carriers. The temporary license shall expire upon issuance of the final order granting or denying its application for a permanent license.

B. Dynalink Communications, Inc., shall provide basic local exchange service under the temporary license in accordance with the regulatory requirements specified in the Michigan Telecommunications Act, MCL 484.2101 *et seq.*, including the number portability provisions of MCL 484.2358, the anti-slamming procedures adopted in Case No. U-11900, and the number reclamation process adopted in Case No. U-12703.

C. Before commencing basic local exchange service under the temporary license, Dynalink Communications, Inc., shall submit its tariff reflecting the services that it will offer and identifying the exchanges in which it will offer service.

The Commission reserves jurisdiction and may issue further orders as necessary.

Any party desiring to appeal this order must do so by the filing of a claim of appeal in the Michigan Court of Appeals within 30 days of the issuance of this order, under MCL 484.2203(12).
