<hr/>)	

At the September 15, 2009 meeting of the Michigan Public Service Commission in Lansing, Michigan.

PRESENT: Hon. Orjiakor N. Isiogu, Chairman
Hon. Monica Martinez, Commissioner
Hon. Steven A. Transeth, Commissioner

ORDER

On August 20, 2009, TC3 Telecom, Inc., filed an application, under the Michigan Telecommunications Act (MTA), MCL 484.2101 *et seq.*, for an amendment to its license to provide basic local exchange service, to expand the geographic area of the license to include all zone and exchange areas throughout the state of Michigan that are served by incumbent local exchange carriers. It also requested a temporary license amendment.

MCL 484.2301(2) states: "Pending a determination of an application for a license, the commission without notice and hearing may issue a temporary license for a period not to exceed 1 year." TC3 Telecom states that it seeks a temporary license to allow it to begin the prompt negotiation of interconnection agreements.

After a review of the application and testimony, the Commission finds that approval of the application is in the public interest.

THEREFORE, IT IS ORDERED that:

A. TC3 Telecom, Inc., is granted a temporary amendment to its license to provide basic local exchange service to expand the geographic area of the license to include all zone and exchange areas throughout the state of Michigan that are served by incumbent local exchange carriers. The temporary license shall expire upon issuance of the final order granting or denying its application for a permanent license.

B. TC3 Telecom, Inc., shall provide basic local exchange service under the temporary license amendment in accordance with the regulatory requirements specified in the Michigan Telecommunications Act, MCL 484.2101 *et seq.*, including the number portability provisions of MCL 484.2358, the anti-slamming procedures adopted in Case No. U-11900, and the number reclamation process adopted in Case No. U-12703.

C. Before commencing basic local exchange service under the temporary license amendment, TC3 Telecom, Inc., shall submit its tariff reflecting the services that it will offer and identifying the exchanges in which it will offer service.

The Commission reserves jurisdiction and may issue further orders as necessary.

Any party desiring to appeal this order must do so by the filing of a claim of appeal in the Michigan Court of Appeals within 30 days of the issuance of this order, under MCL 484.2203(12).
