In the matter of the application of	)	
TC3 TELECOM, INC., to amend its license to	)	Case No. U-16069
provide basic local exchange service.	)	
<hr/>	)	

At the October 13, 2009 meeting of the Michigan Public Service Commission in Lansing, Michigan.

PRESENT: Hon. Orjiakor N. Isiogu, Chairman  
Hon. Monica Martinez, Commissioner  
Hon. Steven A. Transeth, Commissioner

**ORDER**

On August 20, 2009, TC3 Telecom, Inc., (TC3 Telecom) filed an application, under the Michigan Telecommunications Act (MTA), MCL 484.2101 *et seq.*, to amend its license to provide basic local exchange service, to expand the geographic area of the license to include all zone and exchange areas throughout the state of Michigan that are served by incumbent local exchange carriers. On September 15, 2009, TC3 Telecom was granted a temporary license amendment.

On August 28, 2009, TC3 Telecom served a notice of opportunity to comment on other local exchange carriers and all county clerk offices. No comments were filed with the Commission.

The Commission finds that approval of TC3 Telecom's application is in the public interest. The expansion of the license is conditioned on compliance with the anti-slamming procedures adopted in Case No. U-11900, the number portability provisions of the MTA, and the number

reclamation process adopted in Case No. U-12703. Further, the expansion of the license is conditioned upon the provision of service to customers in the added exchanges within a reasonable time. Failure to comply fully with those procedures may result in revocation of the license or other penalties.

THEREFORE, IT IS ORDERED that:

A. The license of TC3 Telecom, Inc., to provide basic local exchange service is amended to include all exchanges currently served by incumbent local exchange carriers throughout the state of Michigan.

B. TC3 Telecom, Inc., shall provide basic local exchange service in accordance with the regulatory requirements specified in the Michigan Telecommunications Act, MCL 484.2101 *et seq.*, including the number portability provisions of MCL 484.2358, the anti-slamming procedures adopted in Case No. U-11900, and the number reclamation process adopted in Case No. U-12703.

C. Before commencing basic local exchange service in the areas added to the license by this order, TC3 Telecom, Inc., shall submit its tariff identifying the additional exchanges in which it will offer service.

The Commission reserves jurisdiction and may issue further orders as necessary.

Any party desiring to appeal this order must do so by the filing of a claim of appeal in the Michigan Court of Appeals within 30 days of the issuance of this order, pursuant to MCL 484.2203(12).
