

International Transmission Company

FERC Docket Nos. ER01-3000-000

RT01-101-000

DTE Energy Company

and EC01-146-000

“Adopt and issue minute dated October 29, 2001 requesting the Attorney General to intervene on behalf of the Michigan Public Service Commission before the Federal Energy Regulatory Commission (FERC) in Dockets Nos. ER01-3000-000, RT01-101-000, and EC01-146-000. In these dockets, the International Transmission Company (ITC) and its corporate parent, DTE Energy, request: (1) a FERC determination that ITC meets the requirements of Order 2000 to participate in a Regional Transmission Organization by joining the Midwest Independent Transmission System Operator, Inc. (MISO); (2) authority to transfer functional control of ITC’s transmission facilities to MISO; and (3) waiver of Part 33 of the FERC’s Regulations.”
