ERRATUM

On September 20, 2005, the Commission issued an order in Case No. U-13934 on the Commission's own motion to consider the implementation of standards or other remedial measures relating to stray voltage.

There is an error concerning the date for written comments. Although the order correctly provides for the filing of written comments by January 3, 2006, some copies of the order had a notice of hearing that incorrectly indicated that written comments should be submitted by December 27, 2005.
