In the matter of the complaint of	)	
<b>AL PARSAD</b> against <b>CONSUMERS ENERGY</b>	)	Case No. U-15269
<b>COMPANY.</b>	)	
_____	)	

**ERRATUM**

In an order issued in this matter on June 12, 2007, the order incorrectly indicated that the basis for the dismissal of the complaint was that the complainant had requested its withdrawal. The order should have indicated that the complaint was dismissed because the parties had agreed to a settlement of the dispute. The terms of the settlement agreement and the apology offered to the complainant by the utility's representative are contained in the transcript of the May 15, 2007 hearing conducted by Administrative Law Judge Daniel E. Nickerson, Jr.
