ERRATUM

On November 12, 2009, the Commission issued an order in Case No. U-12505 that authorized Consumers Energy Company (Consumers) to true-up the company’s securitization bond and tax charges. The order indicated that the revised securitization bond and tax charges should be implemented “as of December 1, 2009.” Because Consumers’ December 2009 billing month actually commences on a different date (November 30, 2009), the November 12, 2009 order is corrected to read that the revised securitization bond and tax charges should become effective “for bills rendered on and after the company’s December billing month.”
